

One Million Messages Freedom vs. Control Evidence Packet

Executive Summary

This packet accompanies the One Million Messages share page. Its purpose is to document publicly available sources regarding outside political influence, party endorsement policies, campaign finance, and related developments in Wyoming. The goal is to encourage informed discussion and allow readers to review the original sources for themselves.

Timeline

2024 – National organizations and PACs increased spending in Wyoming legislative races.

2025 – National advocacy organizations continued organizing and candidate recruitment.

2026 – The Wyoming GOP adopted bylaws establishing a process for endorsements and filed a federal lawsuit challenging Wyoming's restriction on pre-primary financial support for candidates.

Documented Organizations

Americans for Prosperity (AFP)

National advocacy organization active in Wyoming elections through endorsements, grassroots organizing, and campaign investments.

Young Americans for Liberty (YAL)

National organization headquartered in Austin, Texas. Operates nationwide leadership and campaign programs.

Make Liberty Win PAC

National PAC reported to have spent more than \$370,000 in Wyoming's 2024 primary through voter outreach.

State Freedom Caucus Network / Wyoming Freedom Caucus

Subject of public reporting regarding national organizational relationships and influence in Wyoming politics.

Primary Documents to Review

- Wyoming Republican Party bylaws.
- Federal lawsuit challenging Wyoming's pre-primary endorsement law.
- Wyoming campaign finance filings.
- Federal Election Commission records.
- Public campaign finance reports from organizations active in Wyoming.

Media Sources

- WyoFile – coverage of Wyoming GOP endorsement lawsuit and Freedom Caucus developments.
- Wyoming Public Media – reporting on outside PAC spending in Wyoming elections.
- News From The States – reporting on Wyoming GOP bylaw changes.

- Americans for Prosperity – official press releases regarding Wyoming endorsements and investments.
- Federal Election Commission – committee filings for Make Liberty Win and related committees.

Questions for Wyoming Voters

Who paid for this message?

Is the funding primarily local or national?

Who benefits if this message succeeds?

Does it strengthen local decision-making?

Does it help voters make their own choice?

Does it encourage conversation and participation?

Campaign Principle

The One Million Messages campaign encourages respectful, face-to-face conversations rooted in transparency, local decision-making, and informed citizenship. The purpose of this packet is to document publicly available information so every reader can evaluate the evidence independently.
